Name: _____ Date: _____

# Number lines

Write the answer in the box. Some answers have a pick list.

**1** Each tick is 2 units from the next. What is the missing label?

💡 Hint: Count the steps between two ticks first. Then count on or back.

−2

**2** The ticks are one unit apart. What number belongs at the tick marked ?

💡 Hint: Count the steps between two ticks first. Then count on or back.
